Rain is Wet

Abstract

This dissertation is ...like ... *abstract*.

Acknowledgments

I'd like to thank the little people.

CHAPTER 1

Introduction

Allow me to introduce you to my dissertation.

CHAPTER 2

Long Title of Second Chapter

Rain is wet. The conclusions are immediate and self-evident. We leave them as an exercise for the reader.

APPENDIX A

Long Title of Appendix A

Observations of non-wet rain have recently appeared in the literature. In this Appendix, we briefly consider the implications of these observations for the analysis offered in this dissertation.
